MOTORIST ALERT

I-5 LANES CLOSED UNTIL AT LEAST 4 P.M.

BURBANK – Two lanes of the northbound Golden State Freeway (I-5) just south of the Ventura Freeway (SR-134) are still closed due to an earlier twin tanker explosion.

Repairs are underway, and the lanes are scheduled to reopen at approximately 4 p.m., however rain could delay the repair operation.

Caltrans thanks motorists for their patience and reminds everyone to Slow for the Cone Zone.
